

# Lactoferrin 200

MULTI ACTION

Strengthen the immune system.

**Content:**  20 capsules

**Recommended to:**

- Counteract bacterial infections, thanks to its strong ability to transport iron and remove it from the metabolism of pathogenic micro-organisms, causing their death
- Counteract viral infections
- Strengthen the immune system
- Enhance the growth of “good” intestinal flora

**Dosage:** 1 capsule in the morning and 1 capsule in the evening are suggested with plenty of water.

Formulation:	Characterising components	Daily dosage (2 capsules)
	Lactoferrin	200 mg
