

Proven circola

CREAM

External treatment for heavy legs.

Content:  200 ml

Recommended to: Relieve the heaviness of legs.

Dosage: Massage into the affected areas until fully absorbed 1-2 times a day.

Formulation: Specific adjuvant cosmetic treatment based on Centella, Bilberry, Ruscus, Red Grapevine and Escin, useful for promoting the correct functioning of the venous-lymphatic microcirculation and reducing the feeling of heaviness in the legs. It contains peppermint essential oil, menthol and eucalyptus with a refreshing action.
